That despondency in women is a mental condition often traceable to some distinctly female ill!

Women who are well do not have the blues, neither are they irritable and restless. Derangement of the female organism breeds all kinds of miserable feelings such as backache, headache, and bearing-down feelings. Try Lydia E. Pinkham's Vegetable Compound. There is no doubt that it has made many remarkable cures of female ills after all other means had failed. There is hardly a day that some woman does not write us that this simple old medicine, made only of roots and herbs, has cured her of a severe illness.

Here are two such letters - read them - they are genuine and reliable.

Platea, Pa.—"When I wrote to you first I was troubled with backache and was so nervous that I would cry at the least noise, it would startle me so. I began to take Lydia E. Pinkham's remedies, and I don't have any more crying spells. I sleep sound and my catarrh is bester, thanks to your advice. I will recommend your medicines to all sufferers."—Mrs. Mary Halstead, Platea, Pa., Box 98.

Walcott, N. Dakota—"I had inflammation which caused pains in my sides, and my back ached all the time. I was so blue that I felt like crying if any one even said 'How poorly you look to-day.' I wrote to you for advice and got it at once. I started to take Lydia E. Pinkham's Yegetable Compound, Blood Purifier and Liver Pills, and I began to feel better and looked better before I finished the fourth bottle of medicine."—Mrs. Amelia Dahl, Walcott, N. Dakota.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female lils. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women guided thousands to health free of charge.

Velcome Words To Women

If, you are an intelligent thinking woman, in need of relief from weakness, nervousness, pain and suffering, then it means much to you that there is one tried and true honest square-deal medicine OF KNOWN COMPOSITION, sold by druggists for the cure of woman's ills. The makers of

Dr. Pierce's Favorite Prescription

for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula, or list of ingredients, of which it is composed, in plain English, on every bottle-wrapper. Is this not a significant fact worthy of careful consideration?

Women use Dr. Pierce's Favorite Prescription in preference to all other advocated medicines sold by druggists for their peculiar weaknesses and ailments

because it is

THE ONE REMEDY which contains no alcohol or habit-forming drugs, is not anything like advertised secret compounds or patent medicines.

THE ONE REMEDY for women devised by a regularly graduated physician of vast experience in woman's allments and carefully adapted to her delicate organism.

THE ONE REMEDY good enough that its makers are not afraid to print its every ingredient on its outside bottle-wrapper. It's foolish-often dangerous to be over-persuaded into accepting a secret nostrum in place of this time

proven medicine of known composition. World's Dispensary Medical Association, Buffalo, N. Y.
